FOREWORD

FOR the past twelve years we have toiled together to build up our minds and bodies. And, now, before the paths of our lives part, we have made together this Volume of the "Mirror," our castle of memories, based on the theme of Architecture.

We have raised our castles in the air and now go forth, each to build a strong and true foundation under his dream-castle of success. And we sincerely hope that none of our fifty-three structures will crumble. We ask but one thing before we go.

Judge us not by our past but by that which we give in the years to come for "We Finish to Begin."

Sincerely—Senior Class.

DEDICATION

WE the senior class of 1928 dedicate this volume of the "Mirror" to Mr. Moffitt our worthy superintendent who has been the keystone in the arch of our success. Under his guidance the standards of this school have been raised and the walls of our knowledge has been made strong and secure.

MR. STRAYER

We set aside this page for Mr. Strayer who has so faithfully served in the class room and as custodian of the building for the past 13 years. During all the years since it was erected this building has been under his care. He has kept it in good condition and year by year he has improved its appearance.

He has taught manual training for eleven years and is truly a master in that art.

For all these years he has solved the students' troubles what ever they might be. He is an untiring workman who is helpful, kind and pleasant.

He is always here and always busy yet ever ready to aid another.

When something is lost he finds it, if it's broken he mends it, what ever is wanted he makes it, if a place is empty, he soon fills it and never says an unkind word.

THE BOARD OF EDUCATION

The Architect who makes the plan for any constructive endeavor must have deeply impressed in his mind an exact replication of the thing that is to be a reality in the hands of his workmen.

Thus the plans that have been drawn for M. H. S. have been more than satisfactory and each of the five architects have shown a keen understanding of all those details which bring harmony and beauty to the finished structure.

Their initiative and ingenuity in planning have enabled our school to take its place in the foremost ranks of our state.

HISTORY OF SCHOOL

In the erecting of various structures we find it necessary many times to change the blue-prints by adding new doors and windows in order to throw light on some remote and darkened corner. This has been true in the development of our educational system. New departments have been added year by year to enlighten students in new subjects and problems of life.

School buildings and equipment must necessarily be enlarged to take care of the increased enrollment and maintain the standards prescribed by the State Department of Education as well as those of the North Central Association of Colleges and Secondary Schools.

In the past few years we have added the Smith-Hughes Department of Agriculture in order to give the boys on the farm the proper scientific education, which is very essential today. This course comprises four years of training and leads to a degree from Ohio State University.

The Commercial Department has been strengthened to the extent of four years of intensified work in all Commercial subjects. Our graduates can now accept positions in the business world on a par with those of any Commercial School. Thus making it unnecessary for pupils to attend Commercial Schools in other cities unless for more advanced training.

Our Domestic Science Department has added more courses of study in Cooking and Sewing and with the assistance of the County Nurse it has been made one of real merit. The Home Training and Home Nursing Courses are filling a long felt need.

Public Speaking has also been added to the Curriculum. With this training the pupils are better prepared to participate in our Annual Literary Contests. This has been exemplified by the creditable showing they have made on our Literary Teams in the past two years.

In Athletics our school is represented in all branches. Football, basketball, track, tennis and golf. This has necessitated a great amount of equipment and expense. But through the generosity and co-operation of the public we have been able to make our teams the best equipped in this section of the State.

Our standards of work and educational qualifications of the Faculty, have placed us in such a position that we are a member of the North Central Association of Colleges and Secondary Schools. This rating gives our graduates the privilege of entering any College East of the Mississippi (excepting Harvard and Yale) without an entrance examination.

RALPH PURDY

We set aside this page to Ralph Purdy, a former class-mate and the hero of our high school. "Pint," our football star has willingly sacrificed both his health and his place in our class, for his school.

All that we can do or say here will be little compensation for that sacrifice, but we wish to express our gratitude to one who has so nobly shouldered his great misfortune. For "Pint" has come through this just as he used to come through the line; with that smile and pleasant word as none other ever could.

Julia Brandeberry.

CLASS HISTORY

In the fall of 1924 when we signed the contract to build our castle of Intellect we found ready 97 workmen. From these we chose as our foreman Julia Brandeberry and as her assistants Louise Heller, Carrie Shrider and Helen Burton. For our class advisor we chose Mrs. Miller. We were welcomed by some hazing during the first weeks and were more formally welcomed by the annual "Mixer."

With our foundation well laid we continued our work in 1925 with 79 of our best workers. The others found it necessary to drop from our ranks in the very beginning of our task. Our work for this year was carried on under the supervision of Miss Poppaw with Robert Baker, Julia Brandeberry, Carrie Shrider and Russell Weaver.

Under the leadership of Robert Baker, Ralph Purdy, Julia Brandeberry Pauline Ames and Miss Snider we find our 65 masons of 1926 bringing our castles near completion. In the work of this year we find that our sculptor has pictured in stone the important events, among which might be mentioned, the annual Junior-Senior hunt to which the Seniors challenged us on October 15. In this we failed and as a result we find the next picture that of the banquet given to the Seniors on Nov. 4. After this came the St. Patricks day party on March 17. This was followed by the presentation of the Junior class play "Backbone." The last work for the third year by the sculptor was his interpretation of the Junior-Senior Banquet given on April 28.

In the final months of building we have 56 who have stood firm and strong through the four years of toil and strife, and now as we stand before our finished structure with Miss Burns our Master Architect and Mildred Stoll, Ralph Cunningham, Marjorie Copeland and Pauline Ames. Before us, we see several towering spires designed and sculptured to hold for us the memory of Senior activities, namely, another lost Junior-Senior hunt, and the party that followed as a result of it. The publication of this volume of the "Mirror," the presentation of our annual-board other lost Junior-Senior hunt, and the party that followed as a result of it. the 11 as their farewell to us, and lastly, the Senior class play, Commencement and the Alumni Banquet.

On the uppermost tower of our castle we see faintly and almost imagine a spire on which there are but two words "Our Future." Here will be placed the fruits of time.

We have made our structure not for beauty and knowledge alone, but to be filled with the use of our knowledge.

CLASS PROPHECY

A narrow, winding stair case, a dark passage and a sudden burst of color streaming through a lofty Gothic window. But certainly there is something further on. Oh there it is a door. But what do I see almost covered by the dust of the ages?

"To the future this leads, to the time that shall be,
But no mortal man has ere fashioned its key."

What shall we do now? I have it. We can look through the key hole. Maybe I can see the future of some of this class of ours.

Montpelier, who would believe that it could change so much. Lester Boyd dressed up in a Chief of Police uniform. They'll need a step ladder to put anything over his head. An air cop too—Ross Miller, a high life I should say. Look at the new kind of grocery, Shaeffer and Shannon Chain, it looks like a cross between a Kroger and an A. and P.

There's the Rexall store right where it used to be. It has changed hands, the Elson Sisters Props. They're advertising this years best seller, "Such is Life" by Jeanette Haines. Words always did slip off her pen pretty cleverly. It's illustrated by our old cartoonist Raymond Huber.

They are having a lecture by the great scientist Leonard Mower on Women are Made to Rule. Evidently he's married or living in Fiji. Spake's orchestra is with him. Lewis must have gotten his inspiration from those Senior Jazz Hounds. Louise Lamberson is at the piano and Estelleen alternates between the trombone and the bass drums.

There is Ruth Krill unlocking the City Library. Queer that they would turn a book worm loose in a bunch of books like that.

Loretta and Leota are gossiping across the garden fence. Looks like a couple of live happily ever after affairs.

Leona Thompson and Grace Zeiter are telling their first graders that they were never naughty when they went to school.

JUNIOR CLASS HISTORY

We the Jolly Juniors of '28 started our tower of education with seventy-five workmen in 1926 and for the first year of construction we choose as architect, Miss Benson; President of the union of workers, Laura Riggard; Vice President, Grant Brown; Treasurer, Victor Nye; and Secretary, Lucille Reader.

Our second season of building made our tower half completed with but sixty-five laborers. With the able supervision of our Advisor Mr. Daniels; President Grant Brown; Vice President Nye; Secretary Max Drake; and Treasurer Harry Carr we formed a very strong, powerful, piece of work. We were quite able to meet all specifications stated in the contract.

This year only 50 members were able to comply with the qualifications required of them to help continue the construction of our tower. Again it was deemed necessary to choose new foremen and we elected as class advisor, Miss DeKay; President, Max Drake; Vice President, Lucille Reader; Secretary, Laura Riggard and Treasurer, Donna Neil.

The Seniors sent a challenge to the Juniors the first of October and on October 8th they hid. After searching the Fair Grounds and river bottoms we at last found them quitely sitting on the roof of the Guilanger Motor Sales. They displayed their good sportsmanship in acknowledging that we found them and on Dec. 7 they entertained us with a very nice party.

Our class have in their three years contributed much to athletics, literary, orchestra work as some of its members are quite accomplished.

Near the close of the year we gave a play which was quite a success.

Later we entertained and bid the Seniors farewell by the Junior-Senior Banquet which was a very pleasant affair.

HISTORY OF THE SOPHOMORE CLASS

On a September morn in 1926, we, seventy-eight freshies, entered the Assembly Room to receive plans for the structure of a building. We started our first column. Robert Lett received the bid for foreman. Beatrice Barnhart and Lawrence Meine were chosen to assist him, with Mr. Bogart as contractor. Then our tasks were assigned to us.

As we grew accustomed to our duties they were not as hard as we thought.

After our vacation seventy-five workmen reported for duty, to start our second column. Reba Clapp was elected foreman with Herbert Hill and Viola Rundell assisting. Miss Miller will guide us this year.

There are many from the Sophomore class who take part in the extra-circular activities.

A few participate in athletics and we hope more turn out the next two years.

We have literary talent in our class promoting music and oratory.

As we go on in our High School career we hope all will remain to finish the colonnades. And in our aim of life and solving educational problems may we be able to place the roof on our structure.

Reba Clapp '30.

FRESHMEN HISTORY

On September the eighth of the year nineteen hundred and twenty-seven, fifty-nine student Freshmen entered the portals of the M. H. S. workshop, to start the building of a pyramid which is to be the foundation of the more advanced architecture.

Thus far, the work has progressed splendidly and no workman has deserted his post.

We hope that this work will in the future, continue to run as smoothly as it has in the past, for we intend to make our structure stand the test of time.

Those who have aided us in the building of our pyramid are:

President ..... Augusta Hauck
Vice President ..... Eugene Thompson
Secretary-Treasurer ..... Loretta Heflin
Faculty Advisor ..... Mr. Russel Hosler

THE GYPSY ROVER

The Gypsy Rover is a romantic tale of a Gypsy band and the scene is laid in a forest near London. Rob was kidnapped as a child by the Gypsies and has learned to call Meg and Marto his parents. Constance, a daughter of one of the English nobility and Rob meet in the forest and fell in love. They plan to be married and Rob is put in prison. However it is discovered that Rob is none other than Sir Gilbert Howe.

The cast was as follows:

Rob (kidnapped as a child) ..... Maynard Shaffer
Constance (daughter of an English nobleman) ..... Florence Bell
Marto (Rob's father) ..... Cedric Montgomery
Meg (Rob's mother) ..... Nedra Tingle
Zara (pretty gypsy belle) ..... Audrey Tedhams
Sinfo (her lover) ..... Lester Lougheed
Sir George Martindale (Constance's father) ..... Robert Baker
Nina (second daughter of Sir George) ..... Josephine Gump
Captain Jerome (her lover) ..... Gerald Waterstone
Gypsy Chorus
Pianist ..... Pauline Ames

On January 15, "Bill" Beek and his wife gave an entertainment for the benefit of the Senior Class. Every one in attendance considered this an evening well spent for the program was both humorous and educational. "Bill" played both on cornet and miniature trombone and gave illustrated readings. His wife accompanied him on the piano and played several solos.

MUSIC

It wakes the soul, and lifts it high,
And wings it with sublime desires,
And fits it to bespeak the Deity.

Many years ago in ancient Rome, the people borrowed their music from the Greeks. But it was not war-like enough to suit their martial spirits. So they introduced the trumpet and the tuba. The legions responded to the notes of the trumpet as does the modern army to the bugle calls. The first of the most beautiful instruments, the organ, was invented by the Romans.

The Romans played beautiful melodies on their instruments and music was the breath of life to them. And so it is today. There is an orchestra in every little town to every large city. Their many instruments bring to the people the wonderful compositions of the world.

Our orchestra has proven very successful under their able Director Miss Cameron. Members and instruments:

GIRLS' GLEE CLUB

Through the beautiful stained gothic windows of a cathedral, we can hear the ever-echoing peals of an organ. And as the sounds fade away, we hear the voices of many girls singing their joys to the world outside. The melody lingers long after the girls have ceased for the vast dome resounds the fading echo.

The Glee Club is composed of forty-two girls under their able director, Miss Cameron.

All through the year the Glee Club has done active work. And we hope the future club will be as successful.

M. H. S. LITERARY SOCIETY

Since 1926 the construction of this society has been faithfully carried on. Each member has been busy with his tools shaping and fashioning the pillars and supports which will hold up the society and its name. Along with the annual labor and effort to build the best and use the best material, we have also looked at the higher things. Our name alone, which means "Love to learn" would signify that we have spent time in building that part of our bodies called the mind.

In the process of building we have used many different blocks. Among them were the annual banquet, chapel programs and other entertainments. Our meetings which were held every two weeks being divided beween business and entertainment. Under the very efficient leadership of our officers and our faculty advisor we have spent a very prosperous and enjoyable year.

Lawrence Meine, Pres.
Ruth Fisher, Treas.
Thelma Hanover, Sec'y.

LITERARY CONTESTANTS

At the time when the Roman Forum was one of the literary centers of the world contests were held in the presence of the rulers as judges. At this time musicians, artists, and orators competed for laurels.

This same plan is carried out today in our literary contests. Great castles of words are raised by our debate teams only to be torn down by the opposing teams.

Although Roman orators are among the greatest of the world, after those of our school we feel quite sure that in a few years there will again be an era of great orations.

Musicians of the modern time have many advantages not afforded those of early

times in that they no whave variety in both instruments and composition. Hence our musicians might easily excell the ancient Masters.

The competition is as keen as in the days of old even though the reward now is in the form of a letter instead of laurels.

LATIN LEAGUE

Among the great architectural feats of the world is the Romanesque Forum. Through the Latin League the students of Montpelier High School are brought to realize the beauty of this structure. This club was organized six years ago for the purpose of creating more interest in Latin through a more extensive study of the life of those who spoke the language.

It has been our policy in the past years to leave to the school a gift by which the club may be remembered. This year it was our privilege to donate a selected set of maps of the Ancient Roman Empire, which were long needed to make this study more helpful and interesting.

Our monthly meetings, featuring interesting reports, discussions, and Latin dramas by different members, have proved very beneficial as well as enjoyable.

Our most delightful social function of the year was our Annual Latin League Banquet at which we enjoyed a splendid after-dinner address given by Professor Martin Walker Smith, of Heidelberg College, Tiffin, Ohio.

THETA EPSILON

The Theta Epsilon was organized in 1923 by the Home Economics Department. Although Home Economics has been a special branch in our courses for many years, the club was not formed until Miss Osborn became our advisor.

It is our aim to increase the equipment of our department, to study, and further the interest in Home Economics.

The girls prove their importance by frequently serving at banquets, and often doing outside sercises.

The members of this club are especially interested in serving, home making, home care of the sick and elementary cooking.

The club holds its meetings the first Monday of each month in the form of a 5 o'clock luncheon, after which a social hour is spent.

THE HI-Y CLUB

The Montpelier Hi-Y club was organized in February, 1924, as the one hundred and forty-fourth club in Ohio.

The Hi-Y is a junior organization of the Y. M. C. A., the purpose being, to promote a contagious Christian Character throughout the school and community. The slogan is, Clean Living, Clean Speech, Clean Athletics and Clean Scholarship.

The club has sponsored or helped to sponsor many activities throughout the year, being the High School Mixer, the Father and Sons Banquet, and a homecoming for the former members of the Hi-Y and Girl Reserve.

We have been very fortunate in securing the following men as speakers at some of our meetings during the year: Mr. Swanson, Mr. Hosler, Mr. Harry Dunlap, Rev. L. E. Ames, Mr. Faulkner, Rev. Higbie, and Dr. Alwood, also the boys of the senior class who have given very excellent reports.

Our club has sent delegates to two Hi-Y conferences, the twenty-fourth annual Older Boy's conference which is held at Massillon, Ohio, and the mid-winter conference at Findlay, Ohio.

We feel that our efforts this year have proved themselves worthy of the club and it has grown in members and influence.

Officers are as follows:

President	Max Drake
Vice President	Robert Gabriel
Secretary	Merle Finch
Treasurer	Victor Nye
Faculty Advisor	Supt. H. S. Moffitt

SEATED—Lucille Reader, Julia Brandeberry, Pauline Ames, Kathrine Wingard.

GIRL RESERVE

In our constructive plan we have aimed to provide for every phase of mental development not forgetting the moral which takes the form of a great cathedral spire reaching high to gather messages of truth from the star-lit heavens. From this spire floats the Girl Reserve banner which is emblematic of an organization founded upon Christian Principles.

Our meetings an hour in length are held every Friday morning. The greatest portion of the time is spent in religious study, using as our texts "The Bible," "The Gist of the Bible" by Dr. Alvin S. Bell and the "Book Nobody Knows" by Bruce Barton. We have Scriptural readings and memory passages, sentence prayers and discussions on Social problems of today, which all help to float our banner high in the heavens. This is followed by a business meeting and short entertainment of musical selections, readings and plays.

It has also been our fortune to minster in many ways to the needs of our school and the community at large by sponsoring the School Mixer, Hi-Y and Girl Reserve reunion, serving the Father and Son Banquet, presented Chapel program at Christmas time, packed boxes and sang carols, helped Athletic association in sale of tickets for Auto Show, with the years activities culminating in a Mothers and Daughter Banquet.

The first class of instrumental music to be taught as a study in the Montpelier Public Schools was organized November 28, 1927 under tht direction of C. E. Broderick. The class of seventy-five composed of both boys and girls, which is divided into two bands, namely, a girl's saxophone band and a boy's brass band. Each pupil is given one private lesson each week together with group and ensemble rehearsals. Both bands are furnished with high grade instruments, each pupil given the privilege to transfer from one instrument to another until the one they can master most perfectly shall be found.

It might be of interest to know that the girl's saxophone band is the only one of its kind in the state, composed entirely of saxophones, and the compositions are arranged especially for this instrument.

The bands at present are preparing concerts to be given weekly during the summer season. It is planned later to have the bands furnish music for football and basketball games, also other school gatherings where their services shall be needed.

HIGH SCHOOL MOTHERS CLUB

It has been said that it takes a feminine hand to add a real homelike atmosphere to any building.

Four years ago some of the mothers thought that our halls of learning lacked the magic touch which changes bare walls into a thing of beauty.

They wished for their sons and daughters the very best, and so "The Mothers Club" of the High School was organized in September, 1924 with Mrs. Pownell as first president.

Their purpose was to create a closer union between parent, teacher and student, knowing that "If we only understood" so much more could be accomplished.

Materially, they have added much to our enjoyment, such as equipping the Domestic Science department, decorating the Auditorium, purchasing radiator covers, and a complete set of dishes which are continually being sponsored.

The past year has been particularly successful because financially we were able from, the Stand and Fair and serving the Commercial Banquet, to add increase to our coffers and with several social functions have become better acquainted.

Our leaders have been:

1924—Mrs. Pownell; 1925—Mrs. Shrider; 1926—Mrs. Gump; 1927—Mrs. Meine, president, Mrs. Hurtt, vice president, Mrs. Spake, secretary, Mrs. Ritchey, treasurer.

SMITH-HUGHES

The Junior and Senior Class has an enrollment of thirteen members this year. Agriculture Engineering is the course studied. The class consists of seven Seniors and six Juniors.

Tne boys playing on the Agriculture Basketball team were: Ellsworth Briner, Lee Van Fossen, Clarence Haines, Johnny Haines, Leonard Drake, Clyde Osborn, Herbert Hill, and Raymond Huber. They won the championship of the Northwestern Ohio Agriculture Basketball League and also were class championship team in the school.

Boys of the Freshmen and Sophomore group are testing corn stalks for the presence of iron as part of their regular room work.

In vocational agriculture, material learned in class room work is often put directly into practice. Here the boys are mixing concrtte for a sidewalk.

The largest labor income received from project work last year was made by Clarence Haines. His labor income from his swine and potato projects was $419.00. He also was one of twenty-seven farmers in the State of Ohio to produce a ton litter of pigs at six months of age. He was rewarded by the State with a gold medal.

During Farmers Week at Columbus, Ohio there was held a State Apple Judging Contest for Vocational Agricultural boys. The team that represented Montpelier High School was composed of Lee Van Fossen, Charles Miller and Ellsworth Briner. As a team they placed sixth; there were twenty-seven teams in the contest.

The Freshmen and Sophomore Class has an enrollment of ten members this year. Farm Crops and Farm Shop are the courses studied. The class is made up of six Freshmen and four Sophomores.

SOCIAL NEWS

Our school life would be dull indeed if it were not for the many social festivities carried on during the year and as you read these pages enjoy again the splendor of the occasions.

JUNIOR-SENIOR HUNT

Wherein the Juniors hunt for the Seniors (and find 'em) (October 7—Friday night).

Six-thirty! Hoards of Juniors and Seniors are hurriedly making way to the high school. Many are mingled in the halls. Seven—everyone here! Nerves are tense! Among the Seniors are heard whispers of awe and excitement. Rumor has it the Juniors have heard of their sacred secret—and what!—only one hour in which to find a new hiding place. Wits together—a hurried drive about town—a conference. Yes, a quarter of eight and the Juniors are in their class room. All aboard, Seniors! Cars drive madly about town and a few moments later the hopeful, reluctant Seniors are diligently trudging their way up a flight of stairs—onto a roof—up a ladder—and oh! at last we're here. Everyone settled! Nine o'clock—the sleuths are on their way—a stir among the Seniors—a command to keep out of sight—whispers—laughter—a final word of warning—"Everyone still." Never in all high school history had a class responded so loyally to this order. With such co-operation how can we help but be victorious? Ten-fifteen and "all's well!" Although many are cold and stiff they are awaiting patiently the hour of victory. Silence—Do we hear footsteps? Mountains of hope tumble into ruin. Can it be? A moment of waiting—everyone is holding his breath. And now from the street comes the jubilant call of the victors, "We've found them—They're on top of Guillinger's Garage." A large army of Juniors ascend the steps, come onto the roof. Yes—it is true. Fate has turned the hands! Heart-sick but bravely putting on a smile, the Seniors exit to the street amid the laughter resounding from the joyous huntsmen. Back to the high school gym. Refreshments are served and a hearty "Junior, Rah!" echos throughout the building. Then a response—and thus ends the merry chase!

MOTHERS "GET-TO-GETHER" POTLUCK

Our mothers evidently decided they would not take a back seat in the social festivities of our school for the night of the Junior-Senior hunt found them participating in a bountiful potluck supper which took place in the gym. The occasion was opened by an informal welcome from Mrs. Meine, the president. After this Mr. Moffitt gave a response and introduced two of our new faculty—Mr. Shaffer, the principal and Mr. Hostler, the commercial teacher. After this program everyone entered into the stunt of the day—one which proved very popular. The body was divided into groups corresponding with their birth month and each entertained with a song. Three judges were appointed and a prize accorded to August—which proved to be the popular month. Adieus were said and the teachers, I know, hurried to join the Seniors in their escapade.

GIRL RESERVE AND HI-Y ENTERTAIN

"There are some traditions, you probably know,
For Hallowe'en parties, that just "ghost" to show
That strange apparitions will always appear,
They know of our party and "specter" be here.
So we write
To invite
you to our party on Wednesday night."

This was the invitation which greeted the faculty and high school students a few days before Hallowe'en and Wednesday night saw everyone out for a good time. Never was there more danger to an unsuspecting student for perhaps in the very next seat to him would be Mr. Moffitt himself. But of course you wouldn't know for the faculty also came "incognito." We were first divided off in groups—named after some popular song hit—and then we had to display ourselves before the audience at large. Such fun as came when the faculty were called to appear before us and had to choose which we thought most deserved a reward. Of course, Coach would win—but quiet—have you ever seen his prize? Then this illustrous group were asked as judges to pick out the funniest and best dressed students. They sure had a wonderful body to select from and the lucky ones happened to be a distinguished umbrella mender—and a Mexican sheik. After this everyone went down to the gym and learned how to play many new games. And then—the best of all—came the delightful refreshments (lunch you call it). Everything would have

been fiine if they hadn't forgotten to use a thermometer in the hot chocolate—but that's that; and we only wish every school party would be entered into with half the zeal and vigor stored up for this one.

JUNIOR-SENIOR PARTY

The Junior-Senior hunt festival was brought to a climax with the Faculty and Juniors the lucky receipients of an "all artist" vaudeville act. Among the celebrities on the program were Professor Lewis Spake's Senior Jazz Hounds, which they say remind the audience of "Much Ado About Nothing." We were also favored by a Negro dialogue, portrayed by Marie Shaull and Raymond Huber and that famous quartette "The Know Nothings," Bob Gabriel, Lewis Spake, Ralph Cunningham, and Lester Boyd, who as you may guess, have taken their name from a well-known political party in our American history. There was also some lovely solo work by Florence Bell. Then came the contests. Mr. Hostler and Mr. Faben think they can eat pie—well guess again—Lester Boyd has both of them beaten hollow! Miss Cox sure proved her skill in the home training and gym department, though. And then —since it was so near Christmas, we had a real-for-sure Santa Claus, who had received a letter from Max Drake, president of the Juniors, telling how good they were and asking for some pretty heavy orders. Santa arranged everything, not even forgetting the faculty, but found just what each one needed under our beautiful tree at the end of the stage. Then Max's little boys and girls skipped gleefully down to the gymnasium where every one enjoyed a lovely two-course luncheon, thanks to the Seniors. But the best time of all came when a few of the members of the class diligently tackled the army of dishes which met us in the kitchen. We can say no more. One question remains, "How did you like it, Juniors?"

FATHER AND SON BANQUET

One of the big events of the season was the annual Hi-Y Father and Son Banquet which was held in the high school gymnasium the evening of the Bryan-Montpelier Football Game. The room and tables were fittingly decorated in the colors of the organization, blue triangles and roses being used for the centerpiece. A lovely dinner was served by the Girl Reserves.

The club was very fortunate in securing Wm. Chambers and W. W. Hall both of Columbus as speakers for the evening. Mr. Ross Stickney, Rev. Higbie and Howard Shambarger also gave toasts. Over one hundred dads and sons attended. By the sounds and cheers which came up into the kitchen we know they had a fine time.

FOOTBALL BANQUET

The mothers club of our high school issued forth a tempting invitation to members of the football team and the boys turned out in full ranks to be served at a "Best Ever" four course dinner. The Gym was decorated in school colors, enchanced with flowers through the courtesy of the G. & M. Art and Floral Shop. The centerpiece was a beautiful loving cup presented to the team by Bode and Son. Charming football place cards completed the picture. Thence were heard—Captain Clapp, Coach Swanson and Principal Shaffer. After enthusiastic songs and yells, and a thanks to the Mothers, the boys went home wishing they could have more of the delicious cocktail.

FACULTY ENTERTAINS

What's the matter with our faculty?
Why they're all right—
Who's all right?
Faculty!

This seems to be the popular sentiment among the student body this year, and before Christmas vacation it was even more heartily voiced by our mothers. You see the reason for all this, happens to be that the teachers are very clever in knowing just how to gain favor among others and so they invited our mothers to a big Santa Claus party. I mean, that's what they thought they were coming to—but for once they were fooled for Miss Miller, as the chairman of the program, kindly informed them that they were to spend a day in a real-for-sure old school house. Although our honorable mothers might have been surprised they didn't show it for after they once saw the joke they entered whole-heartedly into the spirit of the thing, and the outcome was very horrifying. There were intelligence tests and animal pictures to draw, the best which were judged and rewarded with prizes. Then

they had recess—and how they did act! They did nothing less than walk on the desks and bring up a large pail of water to quench their thirst after such strenuous exercise. But this isn't all—there was a visit from the county superintendent—Mr. Moffitt. In giving his report he conmmended the students for their unusual intelligence but said that he thought the teacher very young and the discipline not so good, etc. Soon the pupils left—with memories of happy days.

"School days, school days
Dear old Golden Rule days,
Readin' and 'Ritin' and 'Rithmetic
Taught to the tune of a hickory stick."

And they even promised teacher they would bring her a nice big red apple and a chunk of bologna—if she'd be good. Atta boy, mothers! Keep it up!

G. R. AND HI-Y PARTY AND REUNION

Nothing has been enjoyed more this season than the annual Girl Reserve and Hi-Y Christmas Party. We attributed its success chiefly to the fact that our old members and college students were with us. The party was semi-formal, a lovely luncheon being served and a delightful program given in which the past graduates took part. Afterwards we had a mixer and every one enjoyed this so much, we decided to make it sort of a reunion which will now happen annually.

LEAP YEAR PARTY

The Girl Reserve and Hi-Y clubs have taken an active part in everything in the curriculum this year and have certainly proven their motto "To serve." After the race in selling tickets for the Auto Show the girls paid their forfeit by giving a Leap Year and St. Patrick Party in the gym. Decorations and refreshments carried out the Irish Green color scheme. At each table was a different game and the couples played on a progressive basis. We hope the boys consider the debt paid in full.

GIRLS BASKETBALL BANQUET

The last game was played—the last gong had sounded, and the rollicking good times of the Girls Basketball team—we thought were over. But to the delight of all, Miss Cox the coach entertained the team with a lovely dinner at the Smith Hotel. The girls presented her with a beautiful gift and Miss Cox thanked them for their work with her. This ended a very successful season.

LITERARY CONTESTANTS BANQUET

On April the ninth the mothers of the literary contestants served a lovely dinner to their sons, daughters and faculty assisting in the contest. Mr. Moffit gave a splendid "after dinner talk" in which he thanked the mothers and complimented the contestants upon their efforts and co-operation. After this Mr. Shaffer very graciously presented letters to the ones who had taken part. This is the first time in the history of our high school such an event has taken place among the literary students and since they form such an important body of high school life we hope it can be made an annual event. We sincerely thank our mothers and want them to know how much we appreciate their interest in our work.

JUNIOR-SENIOR BANQUET

As I entered the corridor of the high school things seemed very common and usual. I hurried to the cloak room, took off my wraps and went down into the gym or was it? The minute I entered the door, I seemed transfigured. I was in a magic dream land. Beautiful fairy queens and dashing Princes met me on every side. Light, fantastic music, the soft warm aroma of spring flowers, musical laughter, forget-me-nots pleading. The mystic splendor and joy of it made a lump come to my throat. Through it all I sat as one enhanced. At length I arose and the peals of a very familiar song rang into my ears—yet one with a new meaning.

"I'll ne'er forget my high school days—
Those dear sincere—"

I trembled—was this the end?

Yes Juniors—this was all another one of my dreams, yet it had been a fitting way in which to endear to the Senior heart a cherished and fondled memory of happy days in Montpelier High School—May it ever be so.

CHAPEL

In the days of old, great cathedrals were emblematic of the spiritual life of the time, and all through the ages we find evidence of a continued desire to express the spiritual power.

In our building project, it has been made possible for each student to lay aside all other activities for an hour each week and devote himself to the higher things of life.

We have been fortunate in securing so many who are willing to bring messages of cheer and inspiration and we trust that as you read a few thoughts from each lecture that their messages may bring added joy to you.

OCT. 4, REV. CASTLE, Pastor of Presbyterian Church.

The subject of "You" proved very helpful to the entire student body. No one but God can see the real you. You have the power to make yourself either a blessing or a curse. You, yourself, count—not your environment. His final advice was to acquire a fine education and do our best to have a fine body, mind, heart, and spirit and thus we will have a real you.

Piano duet—Grace Zeiters and Estelleen Shearer.

OCT. 11, REV. HIGBIE, Pastor of Methodist Church.

"Thinking and Adventure," was the subject of this helpful message. It was stated that education is not what we carry in our memory but is centered in thinking. It is important that we know where we are going before we start. Columbus thought out an expedition which no other person had dared to attempt. Keen thinking is always important. Our whole life is an adventure and it is very disappointing to see young people not attending school when they have the opportunity.

Violin solo—Ruth Fisher.

OCT. 25, MAYOR SHINN

In view of the coming election Mr. Shinn explained the Marshal Bill so that we might be able to judge it for ourselves. He stated that it was merely a remedial bill and thought it for the best since it would provide fees whether or not a victim was convicted and thus officials would have no financial interest in a case.

Vocal solo—Audrey Tedhams accompanied by Beatrice Tedhams and Pauline Ames.

OCT. 18, CAPTAIN HARRIS.

Captain Harris talked to us about his own country in Australia which was interesting as well as educational. We were informed as to Australia's size, population, climate, and its own peculiar native plants and animals.

NOV. 8, MRS. MEINE, President of Mother's Club.

In keeping with Educational Week Mrs. Meine presented to us the relation between home and school. A child is influenced by its environment, parents, teachers, and associates. To emphasize the fact that things learned in childhood are not easily forgotten she recited a poem learned before she started to school.

Piano solo—Nathalie Schmell.

NOV. 15, MR. FALKNER.

"The Value of Good Reading" was the subject selected by the speaker. It is important that all of us guide our minds into channels of good literature. Superior minds obtain superior positions. President Wilson had a first class mind and was the sole interpreter of his thoughts. Good reading will lead us to clear thinking which is the key that unlocks new dreams.

NOV. 26, MR. DUNLAP.

We the students of M. H. S. were the guests of Mr. Dunlap in a visit with the American Legion to France. Starting from New York we crossed the Atlantic and were received with warm welcome in France. The description of Paris and the accounts of many trips while there proved very interesting.

Piano duet—Katherine Wingard and Laura Riggard.

NOV. 29, MR. BELL, the County Farm Agent.

Mr. Bell stated that we are all directly or indirectly farmers. He pointed out that there is not a more promising field than agriculture and emphasized the benefit of the Smith-Hughes course in High School and its part in making successful farmers. His whole thought was a thorough preparation for your job in relation to agriculture.

Presentaion of footballs from Mr. Kiess to Football Players.

DEC. 6, Announcement of Senior Class Regarding 1928 Annuals.

Program by Literary Society.

Violin Solo—Ruth Fisher.

Reading—Willene Brigle.

Saxophone duet—Howard Bechtol and Michael Ringenburg.
Comedy Sketch—Lawrence Meine.
Playlet—Members of Literary Society.
Presentation of Silver Loving Cup to Wilbur Clapp, captain of football team, by Mr. Bode for the winning of the game with Bryan.

DEC. 13, REV. AMES, Pastor of First U. B. Church.

Rev. Ames announced as the subject of his message. "How old are you?" He explained that it is not the number of years you have lived that counts but how well you have lived and how much you have accomplished. Character is more than wealth and the greatest happiness comes from doing good.

Vocal solo—Florence Bell.
Football boys received presents from Mrs. Eva Heller.

DEC. 23, Christmas Program by Hi-Y and Girl Reserve Clubs.

Music—Hi-Y orchestra.
Play—Uncle Caleb's Christmas.
Piano duet—Grace Zeiters and Estelleen Shearer.
Christmas Story—Irma Kumnick.
Tribute to Donald Armsberger—Frank Altaffer.
Song—Florence Bell.
Reading—Josephine Gump.
Hi-Y Quartette—Harry Carr, Merle Finch, Maynard Shaffer, Lester Boyd.
Pantomime—Louise Heller, Loretta Chapman, Grace Zeiters.
Presentation of Gifts to Class Advisors.
Presentation of Football Letters.

JAN. 17, MRS. GRAY.

This message was built around the story of the Prodigal Son. It is right to be independent if we do not leave God out of it. Many leave school to be independent and regret it later. The wonderful lesson in this familiar story is that God is always willing to forgive our follies and take us back again.

JAN. 25, MR. McKELLUP, Dairy Specialist.

We were given some worthwhile advice in this talk. He said that each of us was cut out for some work and should prepare for that as much as possible. It is just as important for farmers to have a college education as for any others. He must develop his body physically, mentally, and morally.

Violin duet—Ruth Fisher and Harry Dunlap.

FEB. 17, SMITH-HUGHES AND HI-Y BOYS.

Max Drake—Report on the Judging League.
Ellsworth Briner—Report of the Apple Judging Contest at Columbus.
Willard Ritchie—Report of Hi-Y Convention at Findlay.
Piano solo—Nathalie Schmell.

FEB. 21, The following program was rendered by the Literary Society in honor of Washington's and Lincoln's birthdays with Harry Carr as Chairman:

Song—America the Beautiful.
Josephine Gump—Biography of Washington.
Voneda Bauer—Reading—Signing of Declaration of Independence.
Gerald Waterstone—Extract from Declaration of Independence.
Maxine Gee—Washington's Personal Appearance.
Thelma Hanover—Biography of Lincoln.
Howard Shambarger—Gettysburg Address.
Willene Brigle—Talk.
Maynard Shaffer—Constitution of the United States.

FEB. 28, MR. KEITH PORTER.

The subject of this worthwhile talk was "Progress." We have had civilization only about three or four hundred years. Step by step, with new inventions, we have attained the height at which civilization now stands. It is our duty to so prepare ourselves mentally, physically, and morally that we may be in a condition to progress with our age.

Violin solo—Beatrice Tedhams.

MARCH 6, REV. MISER, Evangelist at Central U. B. Church.

An inspiring message was built around the subject of "Success." Three essentials for success are:

1. Respect for moral law.
2. Careful thinking.
3. Religious consciousness.

He recommended the reading of the Bible upon which all good things are based. Nations fail if God is neglected.

MARCH 13, The Literary Contestants furnished the following program:

Piano solo—Laura Riggard.
Reading—Josephine Gump.
Oration—Michael Ringenburg.
Vocal solo—Pauline Ames.

Debate—Resolved that the Installment Plan of Buying as developed in the last ten years has been detrimental.

Affirmative—Lawrence Meine, Beatrice Drake, Lear Ricketts, Lucile Reader—Alternate.

Negative—Effie Cox, Ellsworth Briner, Maynard Shaffer, Richard Hodson—Alternate.

MARCH 20.

Song—Battle Hymn of the Republic.
Announcements—Principal Shaffer.
Piano Solo—Louise Lamberson.
Speaker—Mrs. Ensign, a worker of the Y. M. C. A.

We boys and girls are the hope of the world. All boys and girls of America are the hope of the world. When we compare our boys and girls with those of other lands we find that American children are the ones who set the examples for those in foreign countries.

Law protects American boys from alcohol and they have this only for their benefit. The 18th amendment is for us and it depends on us to keep the law. We should save it from being destroyed by those who are trying so hard to do so.

Alcohol loves the brain. Nicotine loves the heart.
She showed us posters with these headings:

1. Don't be hypnotized.
2. He with back bone does not smoke.
3. Don't do your thinking too late.
4. You can not be a thinker if you smoke.
5. Youth must decide which road to take.
6. Never put into your mouth that which will steal away your brain.

—Shakespeare.

MARCH 27, MR. ROSS STICKNEY.

The title of Mr. Stickney's talk was, "To Work In a Bank is Work." There are all kinds of questions asked and a person that works in a bank is required to be able to answer them.

The banker has to be very careful of what he does because he is accountable to the directors and to the people.

The bank is required to keep $20,000 in the Federal Reserve at all times.

The speaker had a check on a small blackboard and warned us of its faults. He also talked on character and put the following points as the necessary points; good habits, honesty always, courteousness, ability to say no, and self denial.

Piano solo—Ruth Fisher.

APRIL 10.

Song—America the Beautiful.
Announcements—Principal Shaffer.
Advertisement of the Senior Annual Play—Ellsworth Briner.
Duet—Nedra Tingle and Edna Teets accompanied by Florence Bell.
Speakers—Mr. Guilinger and Mr. Allen.
Subject—Motives of Chamber of Commerce.

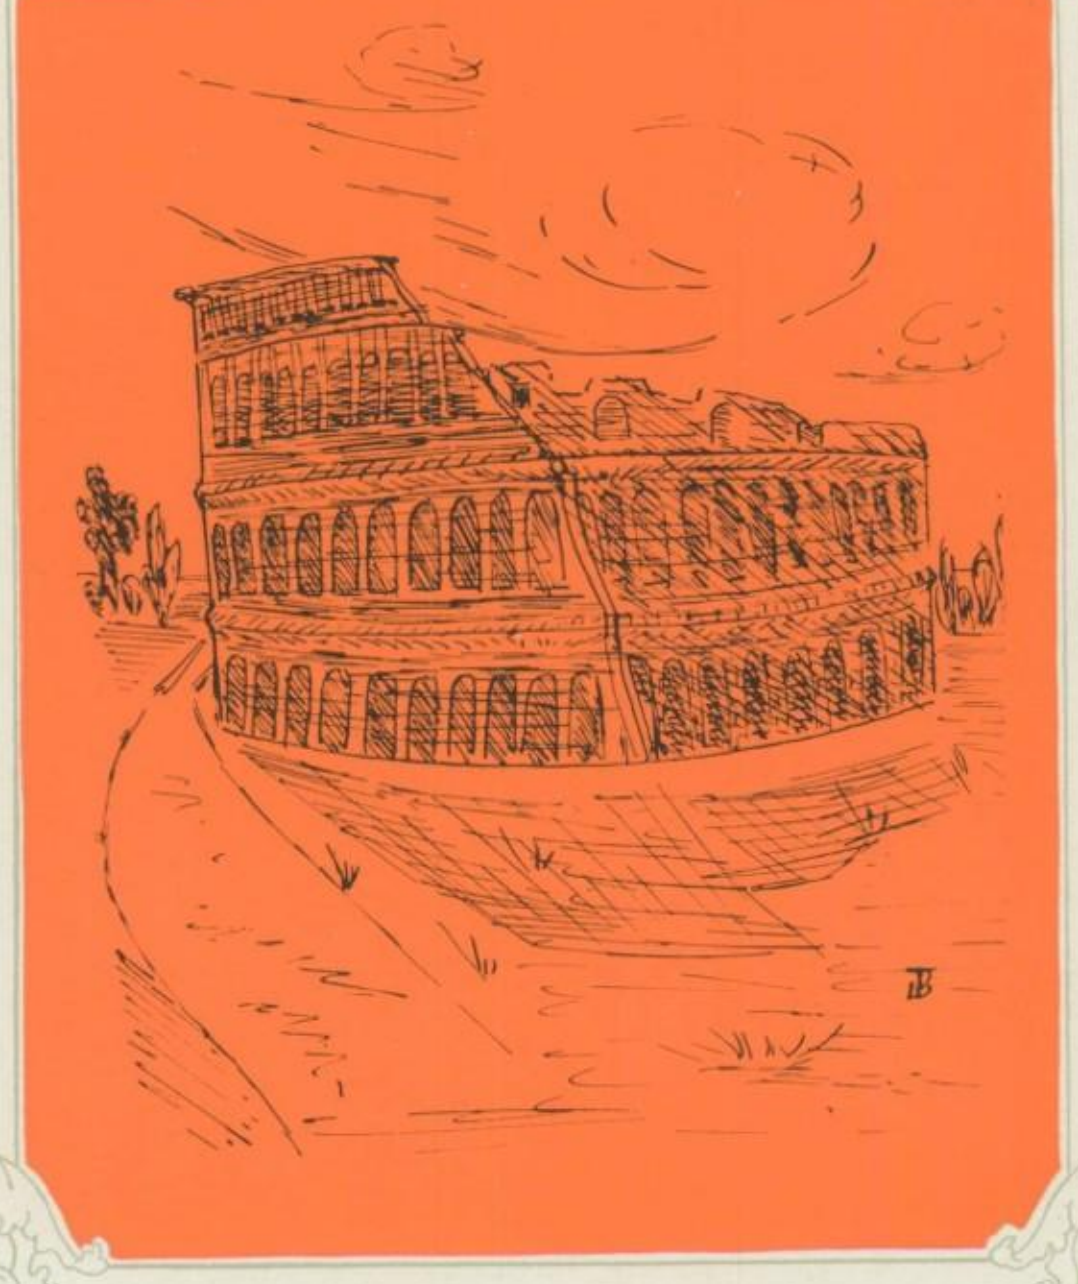
There is only one motive of the Chamber of Commerce. That is to make a bigger and greater Montpelier. Everything they do is to benefit each individual of the community. At Christmas time they furnished twenty-four baskets and twenty-four families were made very happy at that time. They put up the best of traffic lights and expect to do much more when once they get started.

Montpelier is not a town just setting here but it is spoken as of a town always moving.

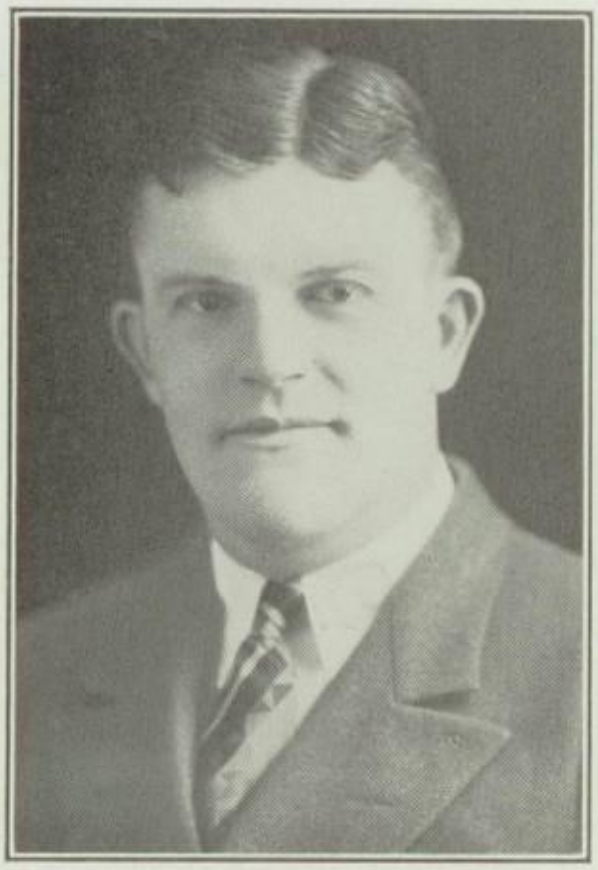
Mr. Allen backed Mr. Guilinger's talk.

The Chamber of Commerce is very fortunate in having these two men as their president and secretary.

Song—Sweet Genevieve.



ATHLETICS



D. V. SWANSON

GENERAL ATHLETICS

Ages ago gladitorial combats furnished entertainment for the masses. Today we find ourselves enjoying sports of a different nature. What is more keen than an interesting and exciting football game, basketball which affords fun for all the young and old, field and track meets where we always find throngs of people either looking on or participating in the event?

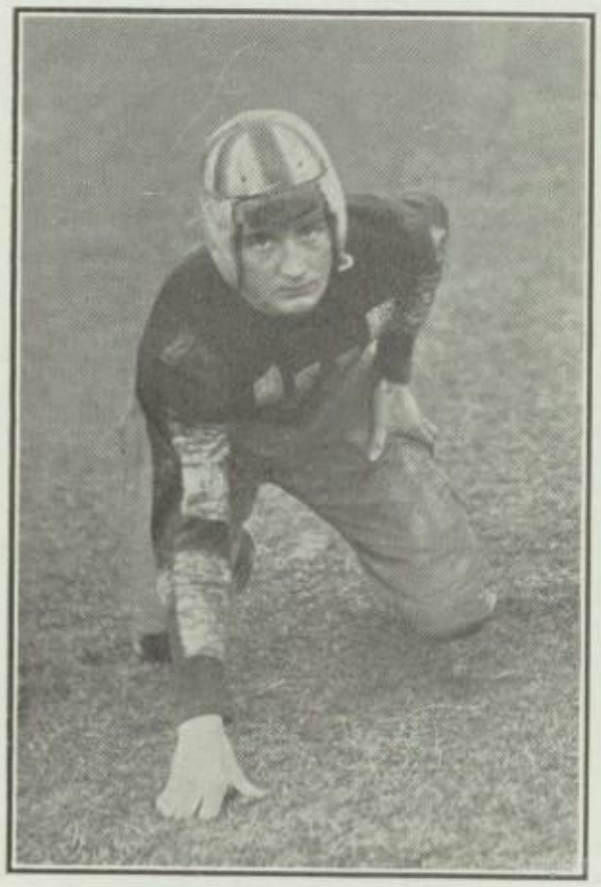
The Romans were never surpassed in any of their sports and we find that even in Montpelier we have held honors in the same style.

Our interest is especially with those sports where we have the keenest competition of the best mental and physically fit contestant.

May our athletics be an honor always to the school.

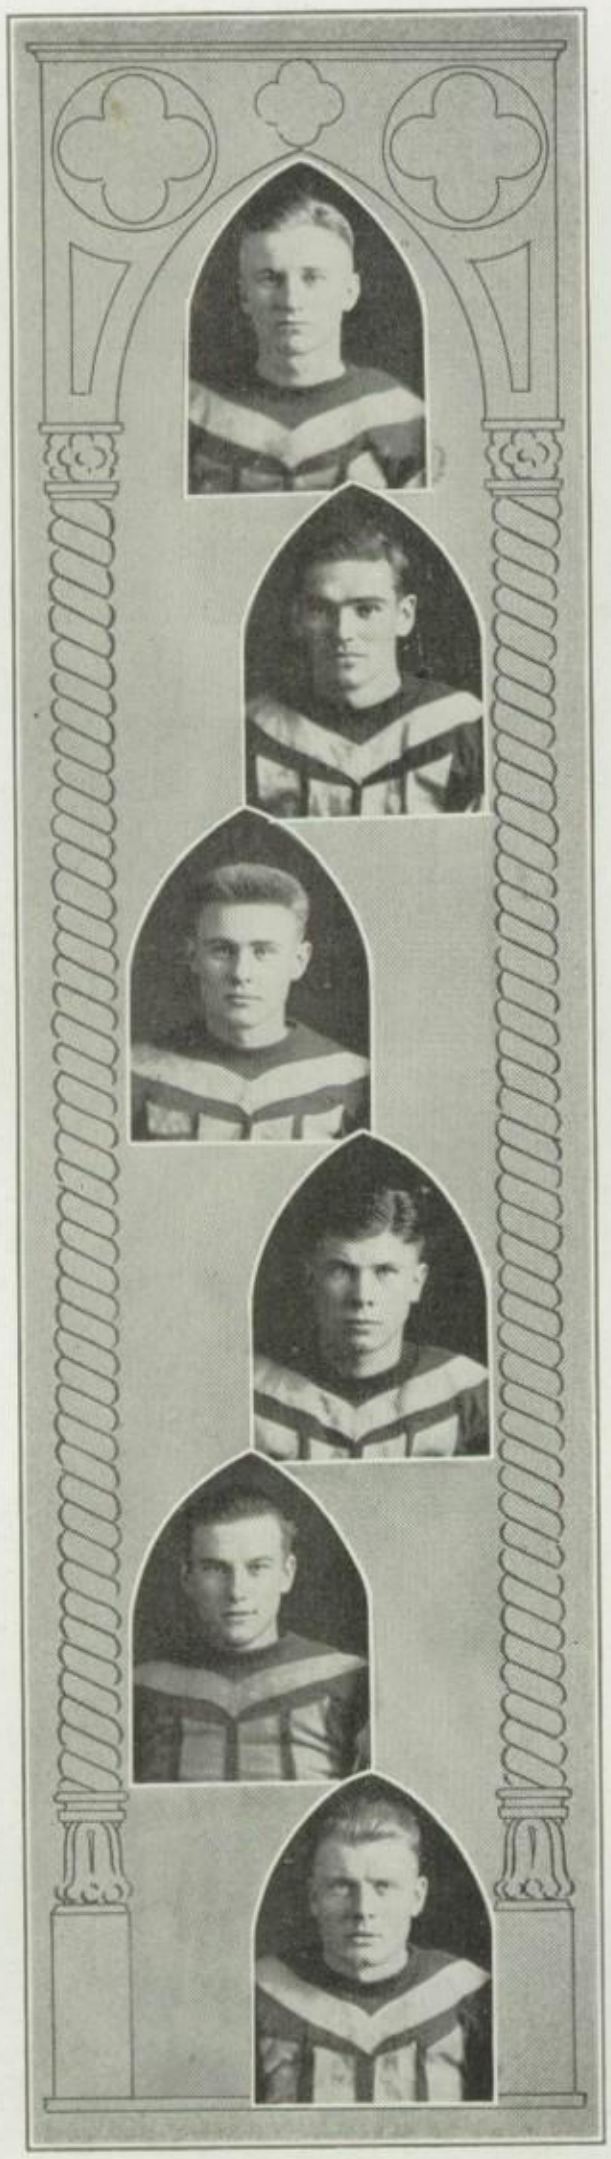
Mr. Swanson, a man trained in athletic tactics from childhood came to us from Purdue University. Back in his high school days he spent every spare moment practicing for his lifes work. His career started when he made the all district and regional basketball teams in high school. His aspirations were realized in track where for two years he played to the tune of Eddie O'Conner and for 3 years he made touchdowns at the feet of James Phelan. In the summer months, while at Manchester College, he played baseball, holding down short stop position.

We predict for Mr. Swanson many laurels in the future for in his short sojourn in our midst he has proven himself very efficient in every activity that was his.



RALPH PURDY
President of Athletic Ass'n.

LEE VAN FOSSEN
Student Manager



CLAPP (CAPTAIN)

He is the quarterback who led us to victory in the year of 1927-28. He has been a varsity man for two years. He was quick to think of the right thing to do at the right time. His fast running gained much ground for us on the offense and saved us much on defense, as was shown at the last game of the season at Blissfield. As a safety man he was a sure tackler. This is only one of the three years that Clapp can show us his ability as a football player. He scored nineteen points this season.

THOMAS

Thomas was the ground gainer through the line and around ends. He is a hard hitter and one whom his opponents fear when they see him with the ball. On defense he backed the line with his hard tackles. This is his first year as a varsity man to show his ability on the football field. He scored thirty points this season.

MILLER, CHARLES

This was Miller's third year as a football player. He filled well his position as halfback. With such men, Coach Swanson could have a star football team. He was depended upon by all the spectators to gain ground. He played as good a defensive game as offensive. His tackles were clean and hard. Miller scored one-third of the points made by the whole team, or sixty-nine points.

RITCHIE

When a goal was to be made the ball was given to Ritchie. He broke up passes and assisted many tackles. He intercepted a few of our opponents's passes that were in his territory. This was his first year as a varsity man. He scored thirty-six points this season.

GEARHART

Gearhart seemed to be like the finding of a long lost gold mine. He scored twenty-eight points this season. In the Blissfield game his picking up of a fumble brought many cheers from M. H. S. Gearhart tackled low and hard and blocked high. He was down under punts and ready to get the man with the ball. This is his second year on the varsity and he has one more year to practice his football tactics for M. H. S.

BOYD, LESTER

Lester's first year of football came in the last year of his high school career. He displayed a fiery attack on his opponents lines and used his height and weight to good advantage in downing them. His long arms seemed to enclose around the runner and put him for a loss. Boyd's brand of football in 1927-28 was great. He was depended upon to get his man.

NYE

Nye has held guard position for three years. His encouragement to the squad meant a great deal. They always listened to what he said at critical times. His grit and fighting spirit gave strength to the whole team, although he was handicapped some this season on account of former injuries. Nye used his weight to good advantage in his blocks and tackles. When a few yards was to be gained for a touchdown, Nye's side of the line was called upon. Nye played a steady hard fighting game. He has one more year to help M. H. S. go to victory.

HURTT

This was Hurtt's first year on the M. H. S. eleven and his faithfulness at center was very valuable. The squad depended upon Hurtt to get the ball back to the right man and also to take the opposing center out of the play. He has two more years to play so much can be expected of him in the future.

STAHL

Stahl was a dangerous man on the line. He seemed to be able to break through any team's line and get the tackle. His body would flash through and cut down the other team's ball carrier. Stahl proved a valuable asset to the team. He has another year to make the team but this year's work at the position of guard will never be forgotten.

BOYD, LEONARD

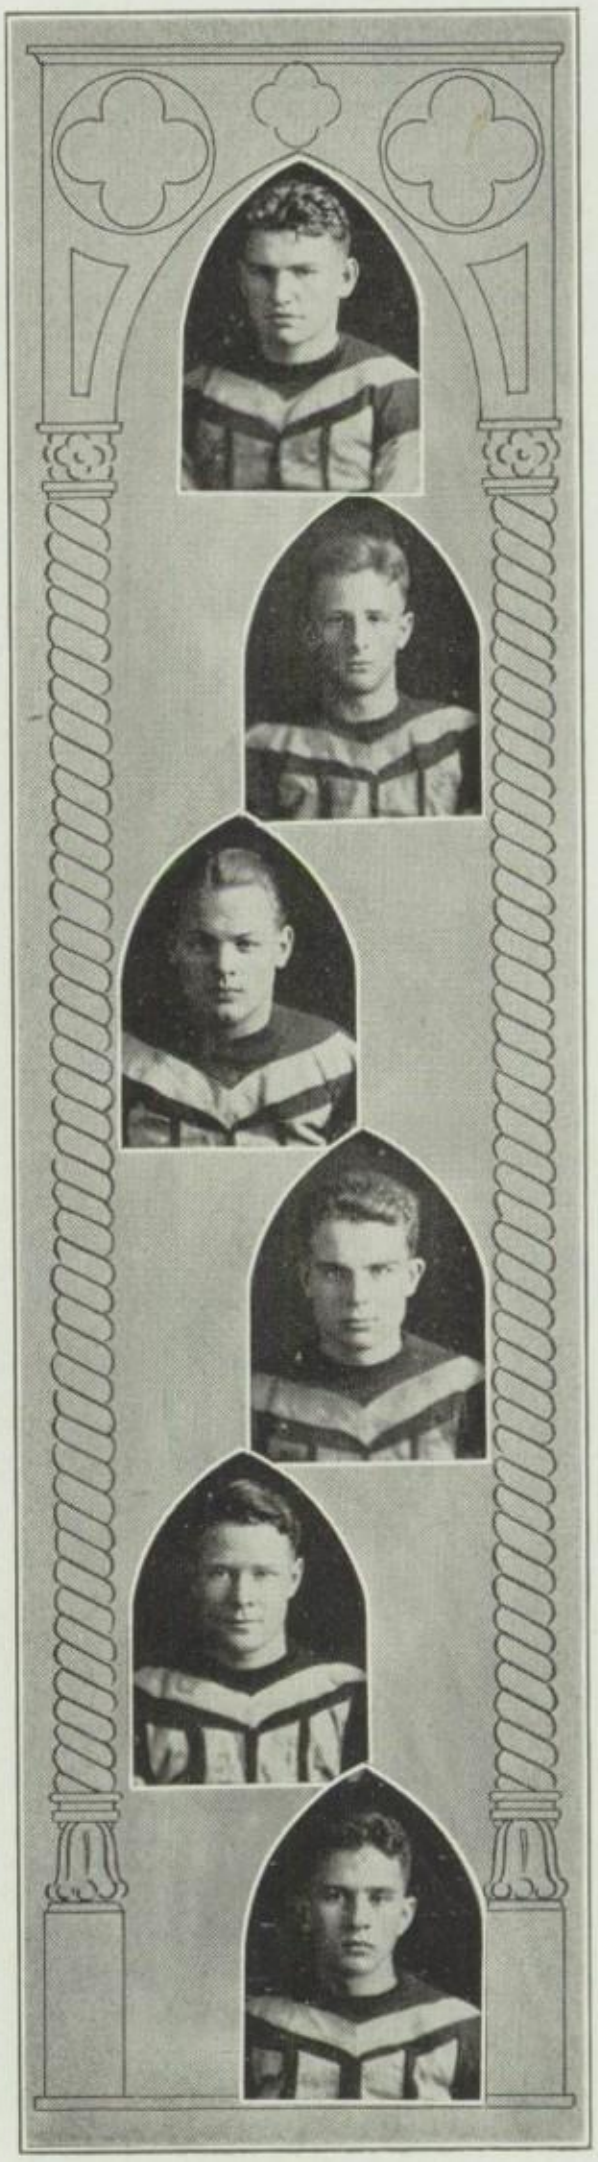
Boyd was the big left tackle that all the teams tried to move out of their way. His hard blocking and tackling gained much for us. He has made the varsity for two years and has the chance for still two more years. Although Leonard did not carry the ball much his part in stopping the other teams from carrying the ball and in hindering their progress was not a small one.

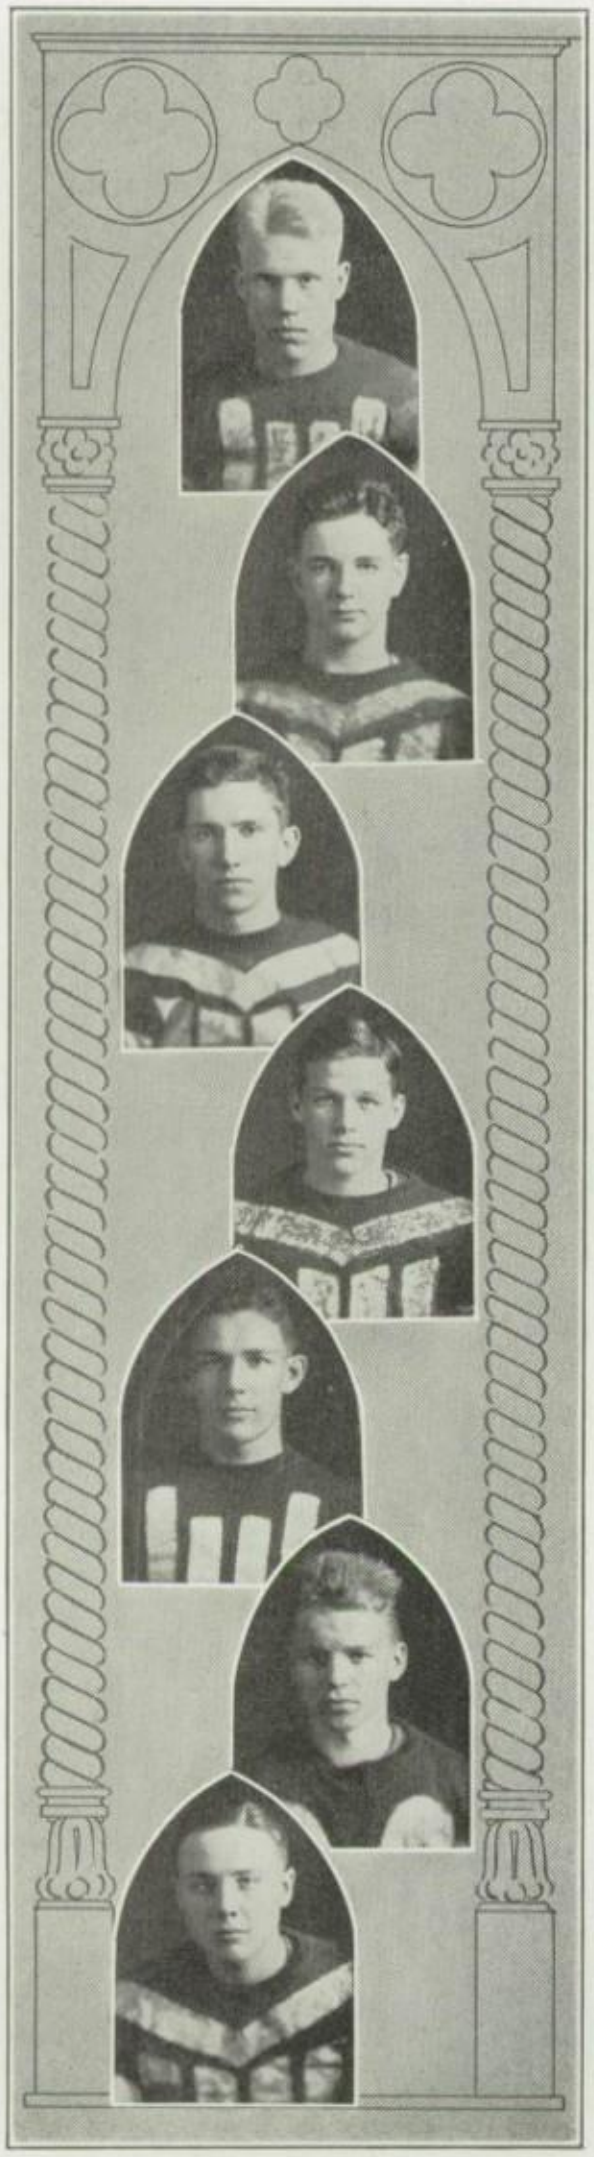
MILLER, ROSS

Miller played good football all season. This was his first year on the varsity. He turned in the wide end runs and tangled up interference. His tackling was hard and sure. On offense Ross was down fast on punts and out fast for interference. Ross put a ball carrier behind his opponents' goal in the Defiance game and so made two points for himself and M. H. S.

GABRIEL

Gabriel played a hard clean game. He never knew when to quit fighting. His steady and consistent hard fighting made him a great help to the team. He alternated for Ross Miller and Gearhart. This was his second year on the varsity and we regret that this is his last year for his loss will be felt.





THOMPSON

Thompson was the fast open field runner and ground gainer through the tackles. On offense he showed art and good coaching in blocking. His ability as a tackler and knowing where the ball was going proved an asset to M. H. S. This is Thompson's first year in high school, so he will have three years more to show his football ability.

GRUNDISH

Grundish showed some good football qualities when he took his place at left half-back in the Rossford game on account of injuries to Charles Miller. Grundish has one more year to display his ability at football.

STEELE

Steele's first year at football uncovered some outstanding qualities shown when he was in his position at guard. He alternated with Stahl and Nye. Steele has two more years to prove his loyality to M. H. S.

MEINE

Meine's first year as a varsity man showed some good qualities as a half-back. He has two more years to play for M. H. S.

AUGUSTINE

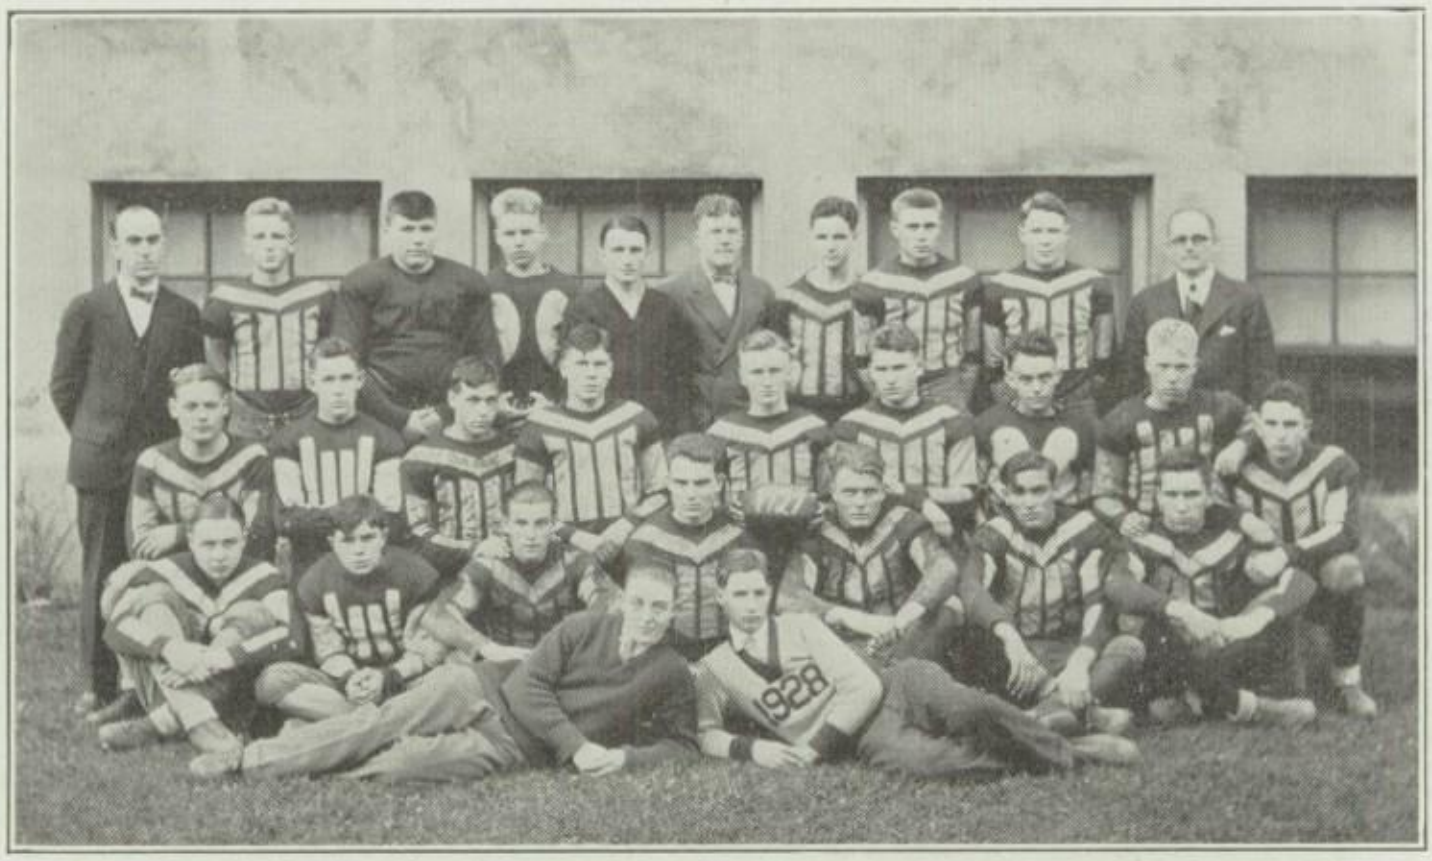
This was Augustine's first year as a varsity man but he demonstrated some good playing. He had the position of half-back. He has one more year to work with M. H. S.

SNOW

Snow has showed good qualities as a tackle in his first year at football. He has two more years to play before he is lost by graduation.

KIESS

Kiess played as alternate at guard this year. He deserves credit as a hard hitter in the line. With three more years to receive coaching he can develop a great deal and may prove an excellent player before he is lost as a Senior.



TOP ROW—Mr. Shaffer, Bob Hurtt, Robert Wingart, Harvey Snow, Pint Purdy, Coach Swanson, Dexter Grundish, Charles Miller, Ross Miller, Mr. Moffitt.
MIDDLE ROW—Kenneth Stahl, Robert Augustine, Lawrence Meine, Willard Ritchey, Wilbur Clapp, Victor Nye, Robert Willet, Rip Thompson, Robert Gabriel.
BOTTOM ROW—Robert Kiess, Max Drake, Carmen Gearhart, Leonard Boyd, Lester Boyd, Wilbur Thomas, Art Steele, Leir Ricketts, Lee VanFossen.

'PELIER vs. LIBERTY CENTER

A journey to the Liberty Center Gridiron on September 23, opened the football season for the year 1927. This proved to be a fairly easy game for our grid stars, especially since it was the first of the season. We were so far ahead that in the middle of the last quarter Coach Swanson sent in most of the subs and Liberty Center taking advantage of this walked down the field toward their goal. They succeeded in getting the ball across after being held for three downs on the line, this accounting for their lone touchdown. The final score was 19 to 6.

'PELIER vs. PERRYSBURG

This game was played at Perrysburg in a blinding rainstorm but with M. H. S. trouncing them to the tune of 18 to 0. Charles Miller scored twice and Ritchie once. The spectacular feat of this game was a thirty-five yard run by Miller, after recovering a kick.

'PELIER vs. PAULDING

The third successive victory for M. H. S. occured at the local ground when we defeated Paulding with a score of 31 to 0. Both teams displayed exceptional skill in this game. The most outstanding event was the touchdown scored by Ritchie when he recovered the ball, after it had left Thomas hand and rushed rapidly to the goal line. The entire team showed marked improvement over the preceding game.

'PELIER vs. NAPOLEON

The great enthusiasm over the game with Napoleon resulted in a large crowd of spectators at our Gridiron. Throughout the game the two Blue and White teams proved to be closely matched opponents. Napoleon scored a safety in the second half which marked the only score of the game that ended with the Henry County boys victorious 2 to 0. This was one of the hardest battles ever fought by M. H. S. and we feel that there is no dishonor in losing such a game.

'PELIER vs. DELTA

By the time Delta had made a touchdown in the second quarter 'Pelier began to feel that they might be beaten. However this was forgotten when on the next kick-off Charles Miller received the ball on the 15 yard line and raced eighty-five yards for a touchdown. This brilliant play added confidence to the Blue and White and Miller succeeded in reaching the goal once more in the last quarter. The final whistle found the score 13 to 6.

'PELIER vs. WAUSEON

M. H. S. scored another conference victory by defeating Wauseon 20 to 0. The two teams were almost evenly matched in the first half, M. H. S. scoring only two points. Coach Swanson pepped the boys up at the half and the result was two touchdowns in the third quarter, and one in the final, for which much credit must be given to Miller, Gearhart, and Thomas.

'PELIER vs. DEFIANCE

M. H. S. piled up a score of 26 to 6 in the game with Defiance at our own Gridiron. Our victory was due chiefly to spledid co-operation of the Blue and White through the entire game. One touchdown was scored in the first quarter by Miller, one in the third quarter by Ritchie, and two in the final by Clapp and Thompson with an additional place kick each time.

'PELIER vs. ROSSFORD

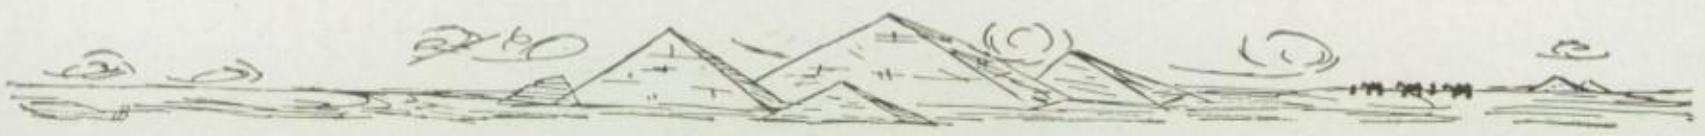
As Rossfords big red jerseyed team came bouncing onto our chalk marked field the local fans wondered if their brand of football was as flashy as their color indicated. This proved the case in the first half. Their series formation plays kept the Blue and White stunned and forced Hurtt to play the part of roving center. However their share of the score ended in the first half and our own began to rise. In the second half M. H. S. showed a better fighting spirit and a more sustained and determined attack swept Rossford off their feet and almost overwhelmed them. Stahl and Nye went crashing through the lines and Grundish exhibited speed which proved a valuable asset. Also the big Boyd brothers and the ends Miller and Gearhart deserve praise for the cleverness they displayed in breaking up the motives of their opponents. The credit for touchdowns belongs to Ritchie, Grundish, Clapp, and Gabriel. The final score was 25 to 6.

'PELIER vs. BRYAN

The old traditional rivalry with Bryan was still burning in the hearts of the Blue and White perhaps even more this year after our defeat of 6 to 0 in 1926. Consequently a large aggregation journeyed to the County Seat expecting to witness a hard struggle. At first neither team scored much but when Charles Miller was sent in for the second quarter this gave greater confidence to the whole team and sent them on to victory and a one sided score of 42 to 0 in our favor. Miller scored the first touchdown. Two spectacular runs by Thomas and Thompson each covering nearly sixty yards as they dodged through the lines and tore to the goal, were features of this game. The Blue and White put up splendid defensive work. Ross Miller and Gearhart could not be outflanked; the Boyd brothers stopped everything that came their way; Nye, Stahl, and Hurtt held the center with much aggressiveness; and in the secondary defense, Clapp, Thomas, Thompson, Ritchie, and Miller broke up Bryans aerial attack by spearing their passes out of the air. In fact all who played showed especial skill, particularly Robert Gabriel who is always at the right spot on time. Miller scored one touchdown; Thomas, two; Ritchie, one; Thompson, one; Gearhart, two. No kicks were made after the touchdowns.

'PELIER vs. BLISSFIELD

M. H. S. lost the last game on Thanksgiving day to Blissfield with a final score of 12 to 18. The game was played under poor conditions with the odds against us since we were on a totally foreign field that was covered with mud and water. Our boys were unable to play with their usual pep and enthusiasm. Nevertheless Blissfield displayed some good football tactics and they deserve the victory.



TOP ROW—Ralph Latier, Wilbur Clapp, Coach Swanson, Robert Hurtt.
BOTTOM ROW—Victor Nye, Leonard Boyde, Charles Miller, Robert Gabriel.

BASKETBALL GAMES FOR SEASON OF 1927-28

M. H. S. vs. EDGERTON

On December 9th Montpelier went to Edgerton with but little basketball experience. They met with a small defeat which was due to the lack of efficient practice. The score was 24 to 21.

M. H. S. vs. STRYKER

M. H. S. next game was with the strong Stryker team. The team did not seem to know how to handle Stryker and so met with a defeat of 26 to 12. The game the night before with Edgerton seemed to be too much for the first of the season.

M. H. S. vs. KUNKLE

On December 16th Kunkle came to Montpelier with but little chance of losing. Because of lack of training some players were ineligible for this game. Kunkle took the game by a score of 34 to 8.

M. H. S. vs. PIONEER

On December 17th M. H. S. went to Pioneer to win their first game with a score of 11 to 6. The team was not at its full strength but were able to defeat Pioneer regardless.

M. H. S. vs. LIBERTY CENTER

On December 21st Montpelier went to Liberty Center. The team was too confident of winning, and after a very hard fight lost the game. The final score was 22 to 20.

M. H. S. vs. BRYAN

After the Christmas vacation the team came back to play the winning Bryan team on January 6. The team did not seem to be able to make enough baskets to keep up with Bryan, and lost to them by a score of 22 to 44.

M. H. S. vs. NAPOLEON

On January 13th Montpelier went to Napoleon, and lost after a very fast and close game. The score was 19 to 25.

M. H. S. vs. STRYKER

Stryker came to Montpelier on Jan. 20th to take another victory away from M. H. S. The game was lost by a bad score of 11 to 33.

M. H. S. vs. HUDSON

Hudson came to Montpelier the night following the Stryker game. The Hudson team played a different style of Basketball than most of the former teams and went home with a defeat of 23 to 12.

M. H. S. vs. WAUSEON

On Jan. 27th Montpelier went to Wauseon, with great expectations of winning. Because of the roughness on the part of the Wauseon players, Montpelier's team was broken up when Boyd and Miller were put out on fouls. The score was 31 to 17, a victory for Wauseon.

M. H. S. vs. DELTA

February 3, was the date of the game between M. H. S. and Delta at Delta. Montpelier did not have much team work and were not able to hold Delta's center from making baskets. The Montpelier team was out played in all ways, and came home with a defeat of 43 to 18.

M. H. S. vs. LIBERTY CENTER

Feb. 10, Liberty Center came to Montpelier with too much confidence. The Montpelier team with good team work stepped out with fast play and won the game by a score of 20 to 13.

M. H. S. vs. NAPOLEON

Napoleon came next to Montpelier on Feb. 14, and continuing the same spirit of the last game Montpelier played hard. It looked hopeful for a while but they could not hold out long enough and lost the game by a score of 29 to 16.

M. H. S. vs. DELTA

On Feb. 17, Delta met the strong basketball team of M. H. S. The Delta team was watched closely, and Montpelier was able to make the most baskets winning by a score of 26 to 8.

M. H. S. vs. ARCHBOLD

Montpelier went to Archbold on Feb. 20. The teams were not accustomed to shooting at baskets so close to the ceiling, and seemed unable to make them. M. H. S. was beaten by a score of 21 to 12.

M. H. S. vs. WAUSEON

Wauseon came to Montpelier on Feb. 22. Montpelier was not strong enough to defeat Wauseon, and after four eight minute quarters Wauseon went home with a victory of 26 to 13.

M. H. S. vs. BRYAN

Montpelier went to Bryan on Feb. 24. Bryan's team seemed to be able to get away from M. H. S. and break for the basket. M. H. S. was not able to make baskets to keep up with Bryan so lost to a score of 13 to 44.

M. H. S. AT THE TOURNAMENT

Montpelier's team worked hard at practice the week before the tournament. Montpelier played the second game with Paulding and were able to out wit the Paulding team and won by a score of 25 to 15. Montpelier then played Defiance on Saturday, March 3. The team was not so strong as when they played Paulding but gave Defiance a hard battle losing by a score of 26 to 19.

BOTTOM ROW—Harriet Hauck, Helen Mullen, Laura Riggard, Reba Clapp, Rachel Fletcher.

TOP ROW—Jeanette Haines, Lucille Mower, Coach Cox, Louise Heller, Julia Brandeberry.

GIRL'S BASKETBALL

EDGERTON vs. MONTPELIER—DECEMBER 9, 1927

After a training period of about six weeks our team met Edgerton on their floor in the first game of the season. We were able to defeat the opposing team with a score of 37 to 28.

STRYKER vs. MONTPELIER—DECEMBER 10, 1927

Having a game on the preceding night did not seem to affect our girls for they came out in full force to meet Stryker, Dec. 10, on our own floor. Shortly after the game started the jumping centers were ruled out on account of unnecessary roughness. In the last quarter Riggard dislocated her knee cap. Notwithstanding these misfortunes the final score was 35 to 25 in our favor.

KUNKLE vs. MONTPELIER—DECEMBER 16, 1927

The regular team with the exception of Brandeberry who substituted for Riggard met Kunkle on our own floor, Dec. 16, determined to keep up their good playing. This game proved easier than the others the score at the end standing 66 to 36.

PIONEER vs. MONTPELIER—DECEMBER 17, 1927

After our journey to Pioneer we found out that they, like ourselves, had won three preceding games. With both teams determined to win the competition was

close. The score was even several times during the game. By using tact and putting forth much effort we reaped the honor of another victory, the score being 22 to 20.

STRYKER vs. MONTPELIER AT STRYKER—JANUARY 20, 1928.

After having been victorious over Stryker on our own floor the girls entered the game with a great deal of confidence only to be defeated by a score of 26-16.

WEST UNITY vs. MONTPELIER—JANUARY 27, 1928

On January 27 we met West Unity on our floor. We entered this game with vigor and enthusiasm, determined to beat all other records. We soon left West Unity standing far behind. At the half the girls set their goal at 60 but at the end of the game found that they had achieved a standing score of 74-31.

WEST UNITY vs. MONTPELIER—FEBRUARY 3, 1928

On the following Friday night we again contested with West Unity, this time on their floor. As they put up a stronger opposition we were victorious only by a small margin, 38-23.

LIBERTY CENTER vs. MONTPELIER—FEBRUARY 10, 1928

At last the game expected to be the hardest of the season arrived. We went out upon our own floor determined to win but at the half with the score tied 14-14 our guard was ruled out on account of fouls. We entered the second half with just as much enthusiasm but less will power, fighting till the end only to face another defeat with a final score of 34-27.

BRYAN vs. MONTPELIER—FEBRUARY 24, 1928

Last but not least on February 24 we met Bryan on their floor. The girls played their best but were handicapped by the large gymnasium. At the half we were leading by one point, at the third quarter they by one. In the last quarter however we saw them race ahead so that the final score was 30-21.

LIBERTY CENTER vs. MONTPELIER—DECEMBER 21

Soon after the game began our team discovered their handicap because of short players. Once the ball was in Liberty Center's possession it was almost impossible for us to recover it. Although our girls struggled persistently throughout the game they received their first defeat the game ending 55 to 35.

BRYAN vs. MONTPELIER—JANUARY 6, 1928

We played with Bryan, January 6, on our own floor. The old rivalry was manifested, they having five victories and no defeats to their credit. Our girls played diligently in the first half and were considerably ahead but upon returning in the second half seemed to have lost their enthusiasm and Bryan gradually gained. The spectators considered this one of the fastest games of the season. We added another victory to our honor with the final score, 32 to 27.

TRACK

Track perhaps dates back farther unto history than any other activity of M. H. S.

In the year 1913, Montpelier was proud to own four youthful lads, who made up the Relay Team that won laurels at home and abroad.

It was this year that a worlds record was made, our team winning second place in the state relays.

SECOND ROW—Brown, Arehart, Horner, Kirk, Dickerhoff, Tingle.
THIRD ROW—Ihrig, Guise, Todd, Ozman, McDonald, Moran.

JUNIOR HIGH FOOTBALL

The Junior High Football team had quite a successful year, everything being considered. Football in the Junior High is quite new here, this being only the second year for it. The boys from the Junior High did real well in the four games that they played, considering that their opposition were High School teams. They played the High School teams of Stryker, Archbold and Farmer Center. Although losing all four games the boys made a crediable showing against these High School teams.

Those receiving letters were: Ends, Charles Arehart and Kenneth Kirk. Tackles, Darwin Dickeroff and Ralph McDonald. Guards, William Brown, Jack Horner and Leroy Ansley. Center, Cloyd Ozman. Quarter Back, Wayne Todd. Full Back, Bernard Boyd. Half Backs, Thomas Grimes, Lawrence Guise and Hurcy Purdy.

FIRST ROW—Osman, Kirk, Coach Cox, Todd, Dickerhoff.
SECOND ROW—Boyd, Arehart, Grimes, Purdy, Geuise.

BOY'S JUNIOR HIGH BASKETBALL

We were fortunate in having as our coach, Mr. Cox who comes from a family of Athletes and knew basketball in every detail. Too much praise cannot be given him for developing a winning team.

J. H. S. vs. WEST UNITY

On December 22 West Unity came to Montpelier and was defeated by a one sided score of 32 to 13.

J. H. S. vs. BRYAN

We then went to Bryan and defeated them by a score of 32 to 15, on Jan. 6.

J. H. S. vs. NAPOLEON

With this encouragement we went to Napoleon and downed our opponents by the margin of eighteen points. The score being 26 to 8.

J. H. S. vs. WEST UNITY

We then toured to West Unity and placed ourselves on the long end of a 22 to 11 score.

J. H. S. vs. BRYAN

Bryan came back to even the score but they were disappointed. Montpelier again defeated them by a score of 22 to 15.

J. H. S. vs. KUNKLE

Kunkle was no match for Montpelier. They were defeated by a score of 44 to 20.

J. H. S. vs. NAPOLEON

Napoleon then came here and were defeated by a score of 27 to 19.

COUNTY TOURNAMENT

In the first game Montpelier defeated Edgerton by a score of 32 to 2. In the game with Bryan, Montpelier had some difficulty in defeating the speedy Bryan quintet but we beat them by the close score of 18 to 14. The last game was played between Montpelier and Pioneer and Montpelier won by a score of 31 to 21.

FIRST ROW—Grimes, McCamis, Coach Cox, White, Heflin.
SECOND ROW—Wingard, McDaniel, Chapman, Konkle, Gump.

GIRL'S JUNIOR HIGH BASKETBALL

Under the leadership of Miss Cox our team gradually developed into a strong one. The first game played by the Junior High team was at Bryan. Both teams played a good game. The score was four and one (4-1) in favor of Bryan. The following week Bryan came here for a return game, but again luck favored them. The score was nineteen, (19) to three, (3).

The next game was played with Kunkle but again we were unlucky.

The last game was played with Pioneer with the score in their favor.

The team played good games but owing to lack of practice the opponents were usually fortunate. Most of the girls were new members who knew very little of the rules and of the game itself.

J. H. BASKETBALL GIRLS

Alma Tingle--Left Forward
Clarabelle Chapman—Right Forward
Geneva White—Right Guard
Aileen Heflin—Left Guard
Dorothy McCamis—Jumping Center
Jane Wingard—Running Center
Ina McDaniel—Sub. Forward
Helen Gump—Sub. Running Center
Elizabeth Konkle—Sub. Jumping Center
Neoma Grimes—Sub. Guard

GRADE MOTHERS CLUB

The Grade Mothers have continued to add blocks in their building project, and have especially been successful in bringing to Montpelier the very highest class of Lyceum Work.

The past year five numbers were given which all proved very excellent and entertaining.

Other accomplishments were banqueting the basketball boys and sponsoring the Mixer. They kept the first-aid room in supplies and purchased window shades for the upper rooms. With the High School Mothers Club they sponsored a May Day picnic.

Officers—President, Mrs. A. Hauser
Vice President, Mrs. Boone
Secretary, Mrs. F. E. Beach

How to Learn to Save —

I know I ought to save, but I can't seem to get ahead.
How can I learn?
Thousands of people ask this question.

Here's the answer: Have a savings plan—and work it. Study of the methods of successful savers shows that there are four rules common to all. However you may adapt these rules to fit your own case, if you stick to them as the frame-work, you are bound to succeed.

Rule 1—Save for some specific attainable thing or purpose, and keep a picture of it, in every detail, always in mind.
Rule 2—Deposit a definite sum at regular and frequent intervals.
Rule 3—Make your savings deposit the first thing after you get your pay.
Rule 4—Let nothing prevent the fulfillment of your plan. Stick to it persistently, in spite of obstacles.

Others have made them work, you can too!

Oh a knight of old was R. Cunny
Yes a knight of old was he
And knights of old were all very bold
And so was R. Cunny.

One night this R. Cunny
Went out to see the sea
The nite was cold as cold could be
And so was R. C.

R. C. loved a pretty girl
She was cute as cute could be
And besides she was very very saucy
But so was R. C.

He didn't go long with this girl
But why you shall see
Tho a hundred fellows loved this girl
So did R. C.

Here's to our jokes which
we hope you will find funny
A little bit bright although
not too sunny.

Miss Burns asked a boy in Eng. one day to tell her Chaucers history. He arose as if he had something to say and it was really quite a story. He cleared his throat and thus he began, "He-he lived", and then the boy sighed. "He lived-well-he lived, and then I guess after while he died."

Mrs. Miller: How much does an average pig weigh when its 8 mo. old.
E. O'Neal: A farmer aims to have it weigh a ton.

Howard S.: Listen to the electricity in my hair.
Herb C.: My pet cat has more than that.

Mr. D.: Why can't you translate this?
Kris.: How can I when you stand there and holler at me?

Your children wont be little very long so keep them as they are today in pictures.

Bud: Will you be so kind as to get off my feet?
Bob: I'll try. But its quite a walk.

Pelier S.: I understand they have a curfew in your town now.
Bryan S.: No they did have one but they abandoned iit.
Pelier S.: What is the matter?
Bryan S.: Well the bell rang at 9 o'clock and almost everyone complained that it woke them up.

* * * * * * *

Are you first in anything at school Pat?
First out of the building when the bell rings.

Clarence A. telling a funny joke,
And Ruth K. writing a note,
Skee Boyd walking a plank,
And Leota D. up to some prank,
Carl Shannon with a bright red nose,
And Joe Gump forgetting to pose;
Effie C. dosing during recitation
And Willard in deep meditation.
Three of our students without silk dresses,
And Julia combing her tresses;
Miss Burns not saying "If you please"
Or the Jr. and Sr.'s serving bread and cheese;
Pauline A. solemn or sulking
Or Marj. C. not even talking;
A bum party in that good old gym,
And Pelier High with no chorus to sing,
Seniors forgetting to assert their power
Or our old student Merle F. like a sunflower,
Robert Baker being very busy,
And Florny Bell sporting a lizzy;

Hosler sitting down when conducting his class
And Ralph C. without a question to ask,
Helen M. without laughing all day,
And Beulah S. getting much too gay.
If you can imagine all these things some nite
You'll have before you a very queer sight
And while you are about it do one more thing,
Imagine the meter has the proper swing.

See that Junior over there

Home sweet home is never given a thot
By couples who stay after school to talk
But soon Mr Strayer will come with the key
Then out of the room these couples must flee.

ANOTHER YEAR A NEW SENIOR A NEW ANNUAL

Most of the things we have to do pass with the days and are gone. A few such as the characters that these young folks have developed through their school life will remain. For over thirty-one years we have given the community preeminent service by supplying it with fine diamonds that grow in value with each year, with watches that keep accurate time through a lifetime, with beautiful silver that will be passed down from generation to generation, exquisite jewelry, and with master workshipment in repairing, engraving, optical work, and with these we have given square dealings, courtesy and good will.
